

# Nhlakanipho Madlanga CV

## *Personal Information*

Name : Nhlakanipho Madnaga

Phone : 0677618360

Email : [madnhlaka@gmail.com](mailto:madnhlaka@gmail.com)

Location : Johannesburg, Turfontein, Gauteng

Creative web developer with a focus on building clean, responsive websites for small businesses. Skilled in React, Node.js, and MongoDB. Seeking opportunities to contribute to user-friendly digital solutions while growing technical expertise.

## *Skills*

- Web Development: HTML, CSS, JavaScript, React, Node.js, MongoDB
- Design: Figma, Canva
- Creative Problem-solving
- Teamwork

## *Work Experience / Projects*

### **Cognition Berries – Financial Education Platform**

*(2025 – ongoing)*

- Designed and developed a full-stack web platform using React (Vite), Node.js, and MongoDB.
- Built features including user authentication, course materials, forum, live sessions, cart system, and payment integration.
- Focused on user-friendly navigation, affordability, and secure transactions for beginners in stock investing.
- Implemented full CRUD operations for multiple collections (*users, transactions, forum-posts, live-sessions*, etc.).

## **PrimeNest Web Studio – Web Design Side Business**

*(2024 – ongoing)*

- Founded a web design service targeting small businesses (crèches, salons, mechanics).
- Designed and deployed custom HTML/CSS websites that are simple, responsive, and affordable.
- Created supporting business materials such as posters, business cards, and pitch decks.
- Offered domain consultation, client checklists, and contract templates for professional delivery.
